

SquashSmarts

GROUP VOLUNTEER ENGAGEMENTS

A GREAT WAY TO GET INVOLVED & GIVE BACK TO YOUR COMMUNITY!

SquashSmarts is an innovative, award-winning afterschool youth program changing the lives of Philadelphia's inner-city public school students through high-impact athletic, academic and life-skill mentoring. Founded in 2001, SquashSmarts is a 501c3 non-profit organization with a proven track record of keeping at-risk public school students in shape, in school and on track for graduation.

Our success depends on caring, committed volunteers. Group Volunteer Engagements are a meaningful way for your company to focus its employee resources on a special group of girls and boys who will directly benefit from your time and personal attention. With more than ten years of leadership experience, our staff will help you meet your volunteer objectives.

*S.T.R.I.V.E. Organization of the Year - National Council of Youth Sports & AIG
