## JAMES DOMENICK

### 2020 SQUASHSMARTS HONOREE

For nearly two decades, Jim Domenick has devoted his time, talent and treasure in support of the girls and boys of SquashSmarts. As founder and President of *Domenick & Associates*, Jim has built a business, a brand, and a reputation of exceptional, uncommon trust and service.

Jim first connected with SquashSmarts in March 2003. He joined the Board of Directors in July 2009. During that time, he served as Treasurer, as a member of the Executive Committee, and most recently as a member of the Finance Committee. Jim and his wife, Kathy, and their three accomplished squash-playing children, Sarah, Alex and Matt, are equally respected, active members of the local and national squash communities.

Jim's passion for non-profits extends far beyond SquashSmarts, including his service as the Chairman of the Board of *Face to Face*, as Treasurer of *Lakeview Estates Homeowners Association* and as a seven-year member of the Board of Governors of *Germantown Cricket Club*.

Put simply, Jim makes Philadelphia's non-profit community safer and stronger. Thank you for joining us as we salute Jim!
