For 26 years, SquashSmarts has provided award-winning mentoring for kids. In 2000, SquashSmarts began building deep, meaningful relationships on the squash court and in the classroom, helping thousands of young people discover the best version of themselves through our intensive, long-term approach to academic and athletic support in middle school, high school, college and career.

Friends and partners like you have made SquashSmarts the success that it is today, and we hope you will take time to join us on Saturday, April 25<sup>th</sup> at the Arlen Specter US Squash Center as we celebrate 26 years of positive impact on our community while planning for a future that gives even *more* kids their very best shot!
